Statement of Services for Special Needs Students

Harvest Community School is committed to partnering with families to provide the best possible education for all students enrolled. We recognize that the parents come first when making educational choices for their children. It is part of our mission to come alongside our parents to aid them in providing high quality education for their children that takes into consideration the individual needs of each student.

Harvest Community School is an independent school that offers individual services and accommodation plans for those students who have been diagnosed with a special need. We accept recommendations and existing Individual Education Plans from school psychologists for students who have a specific diagnosis and, along with the parents, will prepare an individualized plan for accommodations for each student. If a student presents difficulties or areas of concern while enrolled, we work with the parents to identify specific learning disabilities through proper evaluation. We provide referrals to private school psychologists as well as working with our local school district to identify those learning disabilities. We develop accommodation plans and also write 504 plans for our students. Our IEP team consists of the guidance counselor, the headmaster, classroom teacher, parents and the evaluating school psychologist.

The accommodations available at Harvest include but are not limited to:
