## Student Assessment Data

### Educational Credit for Exceptional Needs Children (ECENC) Application 2016-2017

**Independent School Name:** \_\_\_\_\_

An independent school applying for or continuing to participate in the Educational Credit for Exceptional Needs Children Program for Fiscal Year 2016-17 is required to submit the following information:

Student test scores, by category, on national achievement or state standardized tests, or both, for all grades tested and administered by the school.

In working with its nine-member advisory committee, the EOC has determined that, to maintain student privacy and to recognize the educational needs of students, each school must submit the following:

- Summative assessment data from the 2015-16 school year that documents for *each grade tested* and for *each grade with at least 10 students in the grade*, the English language arts (reading) and mathematics achievement of students in the grade. Examples include: *TerraNova, Stanford 10, Iowa Test of Basic Skills, etc.*
- *For schools with less than 10 students per grade level, whole school results should be used for reporting purposes.*
- For grades 9-12, the school may provide average PSAT, SAT, ACT, or other scores as appropriate.
- For Support Level III schools, those schools that specifically exist to meet the need of only exceptional needs students with documented disabilities, the EOC will work with the Support Level III schools to provide information (including formative assessments, portfolios, etc.) that document the students' academic and social development
- Please DO NOT provide personally identifiable student information.

The following is a **template** that you may use for reporting purposes. For questions, contact the EOC.
