Mission Statement or Philosophy: Hilton Head Preparatory School seeks to educate college-bound students in a safe environment. Instilling personal integrity is central to our educational purpose. We strive to prepare a diverse population of qualified students for academic challenges, a successful college experience and rewarding lives.

School History: In 1965, Sea Pines Academy (SPA) was founded as an independent, non-profit educational institution. In 1965, the Sea Pines Company shouldered 80% of the costs to start a private school for local children in grades 1-7. By 1972, the school expanded, offering grades 1-12. In 1971, May River Academy (MRA) opened its doors to a class of first grade students on its Bluffton campus. Both the MRA and SPA campuses continued to exist until a physical merger occurred during the 1985-86 school year incorporating the grounds of SPA thus becoming Hilton Head Preparatory School. Hilton Head Prep joined the National Association of Independent Schools in the 90's and has grown and flourished through outstanding leadership, strong and dedicated faculty and loyal students, families and alumni. In 2005, Hilton Head Prep celebrated its 40th birthday with much celebration and the kick-off of its first-ever major capital campaign. Following the lead of hard working volunteers who raised almost \$1,000,000 to build the KNS Media Center in 1990, Hilton Head Prep's "Tradition of Excellence" capital campaign raised more than \$6,500,000 to build the Joseph B. Fraser, Jr. Field House. The capital campaign also helped build an endowment fund in support of faculty development and scholarships.
