I have reviewed documents received from Ridge Christian Academy.

The documents delivered to me by Financial Administer, Crystal Jackson, consist of invoices for the students that received grants, bank printout showing deposits of these funds and forms for eligibility from Palmetto Kids First.

I reviewed document from Olga Lisinska at Palmetto Kids FIRST Scholarship Program Inc.

My Conclusion from this review as follows:

Number of students that received grants -26

Total of Grants Received from 08/12/2014 – 01/16/2015 - \$202,240

Average Per Student - \$7,778.46

No Student's Grant Exceeded \$10,000

I have reviewed the doctor's independent medical professional proof of eligibility forms for all students and IEP's and they are all correct saying they were eligible for the grants.

All Grants Were Applied to Tuition, Registration Fees & Related Fees for Student

No Student Withdrew during the School Year
