Mission Statement or Philosophy: Temple Christian Academy exists to challenge and motivate each student. As a result, each student will be able to discern and apply truth, develop a worldview consistent with biblical absolutes and be equipped to positively impact the culture in which they live.

School History: Temple Christian Academy was founded by Dr. Larry Pearson and Temple Baptist Church in 2003 to provide high academic standards in a Christian atmosphere. The original goal was to have a senior class in the school year of 2016-2017, which means that TCA is four years ahead of schedule, for tonight we are graduating our first senior class. The purpose of Christian education is to develop an educational process that puts the Bible at the center and asks the student and teacher to evaluate all they see in the world through the eyes of God – because God is truth.
