**Mission Statement or Philosophy:** The mission of St. John's Christian Academy is to promote academic excellence and foster spiritual growth through a college preparatory curriculum in a Christian environment.

**School History:** Long before St. John's Christian Academy, Lord Berkeley Academy was established in 1966 and faithfully served the educational needs of children and young people in Moncks Corner and Berkeley County through May of 1998. A formal dedication on July 1, 1998, marked the official changes of the school's name and mission, but the new school retained the red, white, and blue school colors and the cavalier mascot of LBA. In August of 1998, St. John's Christian Academy opened its doors to 140 students. The class of 1999 was the first graduating class of SJCA. The following year showed several improvements, and the school's enrollment nearly doubled! Then came the addition of more academic programs, Christian texts, and athletic and academic competitions through the South Carolina Independent School Association. Since that first year SJCA has flourished as a nondenominational, independent, Christian school made up of students, faculty, and staff members who serve at a variety of local churches in Berkeley County and beyond! Enrollment has grown to over 330 students, and St. John's Christian Academy has been named #1 among private schools in Berkeley County for the past several years. Our students have excelled academically, grown spiritually, and developed leadership skills. We have received AdvancED and SCISA accreditations, and we are committed to continual school improvement.

### **School Accreditations & Affiliations:**
