**Mission Statement or Philosophy:** It is our mission at Our Lady of the Rosary Catholic School to educate and to develop students socially, morally, intellectually, culturally, and spiritually. In addition to our commitment to academic excellence, creative teaching, and Christian values, we also seek to inspire in our students a joyful and heartfelt relationship with Jesus Christ within the fullness of the Catholic Faith.

**School History:** It all started in 1955 with a temporary Church/School structure. In 1956 the School building was completed. OLR continued to grow adding classroom space, a gym and an acquired barracks from the Donaldson Center Air Force Base which now houses our Art and K4 classrooms. Early on the School was taught and maintained by 4 Sisters of St. Francis of Penance and Christian Charity from NY. Finally in 1977 the gym structure was completed by adding 3 new classrooms in the upper level of the building. To add to our rich history OLR was lead by nine Principals. We have Mrs. Ruth Meyer and Father Thomas Evatt to thank for capturing the wonderful history of Our Lady of the Rosary Catholic School. As we look to the future of OLR, may it be as everlasting as our belief in God's love.

The goal of the Arrowsmith Program is to help students strengthen the weak cognitive capacities underlying their learning dysfunctions.

**Assessments:** Arrowsmith Program Students complete the Arrowsmith Web Assessment. This Web Assessment helps Arrowsmith identify the Student's cognitive strengths and weaknesses. Further assessment takes place at the end of each School Year. The year-end assessment enables Arrowsmith to create a revised Learning Profile based on improvements in the specific cognitive areas being addressed and to modify the Student's program of cognitive exercises for the next School Year.

#### \*Assessment Results:

All Arrowsmith Students made cognitive improvements on their one year assessment in the 2013-2014 School Year. Sixteen of seventeen Students achieved cognitive gains in two or more cognitive areas that assist academic improvement. All Students improved in their academic subjects within their respective classrooms during the 2013-2014 School Year.
