Mission Statement or Philosophy: Distinctly Franciscan, proudly diverse, and centered in Jesus Christ, St. Anthony of Padua Catholic School educates and inspires students to be life-long learners and prepares them for lives of leadership and service as builders of the kingdom of God.

School History: St. Anthony of Padua School was opened in a renovated house on Douthit Street on September 8, 1951, staffed by the Sisters of St. Francis of Stella Niagara, New York. In 1956, a modern brick school building was completed with an enrollment of 153 children in grades K - 8. From 1968-1971, the school was reduced to Grades K - 1 in an unsuccessful attempt to integrate the other Catholic schools in Greenville. In 1986 the Sisters of St. Francis of Buffalo, NY staff came to the school. A new school building was added in 2013 to accommodate 160 students. It houses K3-6th grade, as well as a music/resource room, art room, library, chapel, cafeteria, and gym. Along with Franciscan Friars of Holy Name Province, the Sisters continue working with an outstanding staff of lay persons who seek to serve the African American Community of the Greenville area, in the name of the Diocese of Charleston, as an integral part of the Parish of St. Anthony of Padua.
