Mission Statement or Philosophy: The mission is to provide a rich, diverse curriculum in a safe nurturing environment. Learning is hands-on, experiential and organic. The holistic approach honors the whole child; strengths are honed while weaknesses are re mediated. Assessment is authentic and child centered.

School History: The school was founded to provide a holistic, child centered nurturing environment for children who learn differently. The school uses a strength based learning model, allows each child to work at his own pace, and emphasizes social, emotional, academic skills while fostering independence and self advocacy. Students have classes in small multi-age groups and explore topics through project based, cooperative learning and reading and writing for real purpose. The school is currently in its sixth year of operation.

6

TEACHERS

Number of Classroom Teachers: 2

Detail on teachers' training if applicable:

One has a MA, PhD, the other has MEd.

ECENC PROGRAM

SERVICES FOR STUDENTS ELIGIBLE FOR THE EDUCATIONAL CREDIT FOR EXCEPTIONAL NEEDS CHILDREN PROGRAM

Children with the following challenges may be eligible to be served: ADHD, LD, Autism Spectrum Disorder, Aspergers, Down Syndrome, Nonverbal Learning Disability, Sensory Processing Disorder, Auditory Processing Disorder, Pragmatic Language Disorder, expressive language problems, dysgraphia, dyslexia, dyscalculia, Obsessive Compulsive Disorder, General Anxiety disorder, developmental disabilities, traumatic brain injury, etc.

Features of Curriculum / Instructional Program(s) used for eligible students:

Each child's work is individually chosen and paced to allow the child to work without pressure or anxiety. Direct instruction as well as small group, peer to peer, and cooperative learning is used to maximize each child's ability to process and learn from a variety of experiential learning, hands on activities, and small group activities.

Assessments: Student work is assessed through portfolio assessment. Representative work samples are annotated and placed in chronological order in the portfolio so that work can be compared and the annotations will provide information about assignment directions, rubrics, and how much help, prompting, etc was part of the process of producing the work.

***Assessment Results:**

Our six students all met the state criteria for an IEP. This constituted our total population.

SCHOOL

Grade Span: Grade 3-grade 11

Student to Teacher Ratio: 3:1

Grading System: Students do not receive grades. Progress is rated Excellent, Satisfactory, or Limited

Graduation Requirements:

Curriculum / Instructional Programs:

Curriculum is based on an adjusted Core Knowledge Curriculum developed at University of VaWe use reading and writing for real purpose, Barton and Project Read reading programs, Touch Math and Math U See for math. Social studies and Science topics are based on curriculum.

Assessments:

We use authentic assessment so each child provides initial work samples then work throughout the year is collected in an annotated portfolio of the child's work, so a child's work is only measured for progress against his own previous work.

Assessment Results:

We have fewer than 30 students enrolled.
