## **Educational Credit for Exceptional Needs Children Program: Education Oversight Committee's Responsibilities and Results Fiscal Year 2017-18**

### **Statutory Authority**

Proviso 109.11. of the 2017-18 General Appropriation Act authorized the Educational Credit for Exceptional Needs Children (ECENC) Program for Fiscal Year 2017-18 (Appendix A). The ECENC Program was first established by proviso in the Fiscal Year 2013-14 General Appropriation Act.

The ECENC program provides grants and parental tax credit to eligible students attending approved schools. First, the Exceptional SC 501(c)(3) scholarship fund (also known as the Educational Credit for Exceptional Needs Children) awards grants to students. The fund includes tax-deductible donations that serve as scholarships for the private school tuition of exceptional needs students in South Carolina who attend eligible schools. The Educational Credit for Exceptional Needs Children Fund is separate and distinct from the State general fund. The fund is organized by the Department of Revenue as a public charity. Monies contributed to the fund provide scholarships for exceptional needs children attending eligible schools. Grants may be awarded in an amount not to exceed \$11,000 to a qualifying student attending an eligible school. A board of five directors, appointed by the Governor and members of the General Assembly based upon the recommendations of the South Carolina Association of Christian Schools, the Diocese of Charleston, South Carolina Independent Schools Association and the Palmetto Association of Independent Schools, award grants from the fund. The directors of the fund also designate an executive director. The proviso expressly prohibits the appropriation of public funds to the Educational Credit for Exceptional Needs Children Fund. For Fiscal year 2017-18, contributions to the Educational Credit for Exceptional Needs Children Fund are eligible for tax credits that statewide may only total \$11 million. Second, there is a Parental Tax Credit whereby taxpayers, on a first come, first served basis, may claim out-of-pocket spending on tuition, up to \$11,000, for an eligible child to attend an approved school. The cap for this tax credit is \$2 million. The public may access information about the ECNEC program at <https://www.exceptionalsc.org/>.

Proviso 109.11. expressly charges the Education Oversight Committee (EOC) with determining if an independent school meets the eligibility requirements for participation in the ECENC program. Only eligible students attending approved schools are eligible for a grant from the Educational Credit for Exceptional Needs Children Program and their parents, eligible for the Parental Tax Credit.

The proviso defines an eligible school as an independent school that:

- (a) offers a general education to primary or secondary school students;
- (b) does not discriminate on the basis of race, color, or national origin;
- (c) is located in this State;
- (d) has an educational curriculum that includes courses set forth in the state's diploma requirements, graduation certificate requirements (for special needs children), and where the students attending are administered national achievement or state standardized tests, or both, at progressive grade levels to determine student progress;
- (e) has school facilities that are subject to applicable federal, state, and local laws;
- (f) is a member in good standing of the Southern Association of Colleges and Schools, the South Carolina Association of Christian Schools, the South Carolina Independent Schools Association, or Palmetto Association of Independent Schools; and
- (g) provides a specially designed program or learning resource center to provide needed accommodations based on the needs of exceptional needs students or provides onsite educational services or supports to meet the needs of exceptional needs students, or is a school specifically existing to meet the needs of only exceptional needs students with documented disabilities.

For Fiscal Year 2017-18, the law requires:

1. By August 1, schools that participated in the ECENC program in the prior school year must apply to the EOC to participate in the program in 2017-18. Schools that desire to participate for the first time in 2017-18 may apply at any time in the school year.
2. The EOC developed two applications for schools this year: (a) an application for schools that participated in the program in the prior school year and were still in compliance with all program requirements; and (2) an application for schools choosing to participate in the program for the first time in 2017-18.
3. Per Proviso 109.11, all schools participating in the program must provide the following information to the EOC:
  - o the number and total amount of grants received in the preceding fiscal year;
  - o student test scores, by category, on national achievement or state standardized tests, or both, for all grades tested and administered by the school receiving or entitled to receive scholarship grants pursuant to this chapter in the previous fiscal year;

- o a copy of a compilation, review, or compliance audit of the organization's financial statements, conducted by a certified public accounting firm if the school received grants from the program in the prior school year or if the school receives grants in the current year; and
- o a certification by the independent school that it meets the definition of an eligible school as that term is defined in subsection (A)(1) and that the report is true, accurate, and complete under penalty of perjury in accordance with Section 16-9-10.

4. Proviso 109.11 extends the timeline by which schools provide student test data to the EOC to December 31. The proviso requires the EOC to remove from the program any school that does not provide student test data by December 31.

5. By September 1, the EOC must publish on its website a comprehensive list of independent schools certified as eligible institutions.

6. The EOC must also work with the nine-member advisory committee to make recommendations on the program's implementation.

**Results**

Beginning July 1, 2017, the EOC began publishing weekly the list of schools approved to participate in the ECENC program. By August 29, 2017 the total number of approved schools totaled 114 (Table 1). Appendix B is a list of the approved schools. To date, no school has been denied application.

**Table 1**  
**Schools Approved to Participate in ECENC Program**

Fiscal Year	Number of Schools
2017-18	114
2016-17	109
2015-16	117
2014-15	89
2013-14	73

Note: In 2015-16 101 schools were approved on September 1, 2015 and another 16 approved pursuant to Joint Resolution H.4633 (R.139) of 2016.

Of the 114 schools that have been approved to date, 106 reported receiving tuition grants from Educational Credit for Exceptional Needs Children Fund in the prior fiscal year (Table 2). These schools received \$10.1 million in tuition grants for 1,972 students. The

average amount of grant statewide was \$5,136 but the average amount of grants received at each school ranged from \$461 to \$9,770. Appendix C is a list of grants received by eligible school. It should be noted that five schools that participated in the program in Fiscal Year 2016-17 and that were in good standing with the EOC did not continue participation in the program in 2017-18; therefore, the number of grants received by those five schools is not reflected in Table 2.

As in previous years, the EOC staff encountered problems with data security. Several schools submitted information that included individual student test data while others provided the names of individual students who received scholarship grants in the prior fiscal year. Upon receiving the personally identifiable information, EOC contacted the school and shredded the documents or redacted the names.

(3) "Independent school" means a school, other than a public school, at which the compulsory attendance requirements of Section 59-65-10 may be met and that does not discriminate based on the grounds of race, color, religion, or national origin.

(4) "Parent" means the natural or adoptive parent or legal guardian of a child.

(B) (1) There is created the Educational Credit for Exceptional Needs Children Fund that is separate and distinct from the State general fund. The fund shall be organized by the department as a public charity as defined by the Internal Revenue Code under sections 509(a)(1) through 509(a)(4) and consist solely of contributions made to the fund. The fund may not receive an appropriation of public funds. The fund shall receive and hold all contributions intended for it as well as all earnings until disbursed as provided in this chapter. Monies received in the fund shall be used to provide scholarships to exceptional needs children attending eligible schools.

(2) The amounts on deposit in the fund do not constitute public funds nor are the deposits property of the State. Amounts on deposit in the fund must not be commingled with public funds and the State shall have no claim to or interest in the amounts on deposit. Agreements or contracts entered into by or on behalf of the fund do not constitute a debt or obligation of the State.

(3) The public charity shall be governed by five directors, two appointed by the Chairman of the House Ways and Means Committee, one of which is based upon the recommendation of the South Carolina Association of Christian Schools and one which is based upon the recommendation of the Diocese of Charleston, two appointed by the Chairman of the Senate Finance Committee based upon the recommendations of the South Carolina Independent Schools Association and one appointed by the Governor based upon the recommendation of the Palmetto Association of Independent Schools. The directors of the public charity, along with the Director of the Department of Revenue, shall designate an executive director of the public charity.

(4) In concert with the public charity directors, the Department of Revenue shall administer the public charity, including, but not limited to, the keeping of records, the management of accounts, and disbursement of the grants awarded pursuant to this proviso. The public charity may expend up to two percent of the fund for administration and related costs. Neither the department or the public charity may expend public funds to administer the program.

(5) By June thirtieth of the current fiscal year, the Department of Revenue must report to the Chairman of the Senate Finance Committee, the Chairman of the House Ways and Means Committee and the Governor:

(a) the number and total amount of grants issued to eligible schools in the fiscal year;

(b) for each grant issued to an eligible school in the fiscal year, the identity of the school and the amount of the grant;

(c) an itemization and detailed explanation of any fees or other revenues obtained from or on behalf of any eligible schools;

(d) a copy of a compilation, review, or audit of the fund's financial statements, conducted by a certified public accounting firm and;

- (e) the criteria and eligibility requirements for scholarship awards.
- (C) (1) Grants may be awarded in an amount not exceeding eleven thousand dollars or the total annual cost of tuition, whichever is less, to a qualifying student at an eligible school.
- (2) Before awarding any grant, the public charity must receive written documentation from the qualifying student's parent or guardian documenting that the qualifying student is an exceptional needs child. Upon approving the application, the public charity must issue a check to the eligible school in the name of the qualifying student within either thirty days upon approval of the application or thirty days of the start of the school's semester.
- (3) In the event that the qualifying student leaves or withdraws from the school for any reason before the end of the semester or school year and does not reenroll within thirty days, then the eligible school must return a prorated amount of the grant to the public charity based on the number of days the qualifying student was enrolled in the school during the semester or school year within sixty days of the qualifying student's departure.
- (4) The public charity may not award grants solely for the benefit of one school.
- (5) The department or the public charity may not release any personally identifiable information pertaining to students or donors or use information collected about donors, students, or schools for financial gain.
- (6) The public charity shall develop a process to prioritize the awarding of grants to eligible incumbent grant recipients at eligible schools.
- (D) (1) (a) Tax credits authorized by subsection (H)(1) and subsection (I) of this proviso annually may not exceed cumulatively a total of eleven million dollars for contributions to the Educational Credit for Exceptional Needs Children Fund.
- (b) Tax credits authorized pursuant to subsection (H)(2) of this proviso annually may not exceed cumulatively a total of two million dollars for tuition payments made on behalf of qualifying students.
- (c) If the department determines that the total of the credits claimed by all taxpayers exceeds either limit amount as contained in items (a) or (b), it shall allow credits only up to those amounts on a first come, first served basis.
- (2) (a) The department shall establish an application process to determine the amount of credit available to be claimed. The receipt of the application by the department shall determine priority for the credit. Subject to the provisions of subitem (e), contributions must be made annually on or before June thirtieth, in order to claim the credit. The credit must be claimed on the return for the tax year that the contribution is made.
- (b) A taxpayer may not claim more than sixty percent of his total tax liability for the year in contribution toward the tax credit authorized by subsection (H)(1) or subsection (I). This credit is not refundable.
- (c) If a taxpayer deducts the amount of the contribution on his federal return and claims the credit allowed by subsection (H)(1) or subsection (I), then he must add back the amount of the deduction for purposes of South Carolina income taxes.
- (d) The department shall prescribe the form and manner of proof required to obtain the credit authorized by subsection (H)(1) or subsection (I). The department shall also develop a method of informing taxpayers if the credit limit is met at any time during the fiscal year.
- (e) A taxpayer only may claim a credit pursuant to subsection (H)(1) and subsection (I) for contributions made during the fiscal year. (3) A corporation or entity entitled to a credit under subsection (H)(1) and subsection (I) may not convey, assign, or transfer the

credit authorized by this proviso to another entity unless all of the assets of the entity are conveyed, assigned, or transferred in the same transaction.

(E) (1) On or before August first, of the current fiscal year an independent school who participated in the program in the prior fiscal year and who desires to participate in the program in the current fiscal year must reapply to the Education Oversight Committee. The independent school must certify to the Education Oversight Committee that it continues to meet all program requirements and must provide to the committee student test score data from the prior school year by December thirty-first. If student test score data are not submitted by December thirty-first, then the Education Oversight Committee must remove the school from the program. The Education Oversight Committee must consult with the Southern Association of Colleges and Schools, the South Carolina Association of Christian Schools, the South Carolina Independent Schools Association, Palmetto Association of Independent Schools, or the Diocese of Charleston to verify that the school is still a member in good standing and that the school continues to serve exceptional needs children. An independent school who did not participate in the program in the prior fiscal year but desires to participate in the program in the current fiscal year must apply to the Education Oversight Committee. The Education Oversight Committee shall develop an application to be completed by the independent schools which must contain at least:

- (a) the number and total amount of grants received in the preceding fiscal year;
- (b) student test scores, by category, on national achievement or state standardized tests, or both, for all grades tested and administered by the school receiving or entitled to receive scholarship grants pursuant to this chapter in the previous fiscal year;
- (c) a copy of a compilation, review, or compliance audit of the organization's financial statements as relating to the grants received, conducted by a certified public accounting firm; and
- (d) a certification by the independent school that it meets the definition of an eligible school as that term is defined in subsection (A)(1) and that the report is true, accurate, and complete under penalty of perjury in accordance with Section 16-9-10.

(2) (a) The Education Oversight Committee may waive the August first deadline contained in subsection (E) upon good cause shown by an independent school.

(b) The Education Oversight Committee may waive some or all of the curriculum requirements contained in subsection (A)(1)(d) following consultation with the advisory committee.

(3) (a) By September 1, 2016 the Education Oversight Committee shall publish on its website a comprehensive list of independent schools certified as eligible institutions. The list shall include for each eligible institution:

- (i) the institution's name, addresses, telephone numbers, and, if available, website addresses; and
- (ii) the score reports and compliance audits received by the committee pursuant to subsection (E)(1)(b) and (c).

(b) The Education Oversight Committee shall summarize or redact the score reports identified in item (3)(a)(ii) if necessary to prevent the disclosure of personally identifiable information.

(4) An independent school that does not apply for certification pursuant to this subsection must not be included on the list of eligible schools and contributions to that school shall not

be allowed for purposes of the tax credits permitted by this proviso. (5) An independent school that is denied certification pursuant to this section may seek review by filing a request for a contested case hearing with the Administrative Law Court in accordance with the court's rules of procedure.

(F) (1) The Education Oversight Committee shall establish an advisory committee made up of not more than nine members, including parents, and representatives of independent schools and independent school associations.

(2) The advisory committee shall:

(a) consult with the Education Oversight Committee concerning requests for exemptions from curriculum requirements; and

(b) provide recommendations on other matters requested by the Education Oversight Committee.

(G) Except as otherwise provided, the Department of Education, the Education Oversight Committee, and the Department of Revenue, nor any other state agency may regulate the educational program of an independent school that accepts students receiving scholarship grants pursuant to this chapter."

(H) (1) A taxpayer is entitled to a tax credit against income taxes imposed pursuant to Chapter 6, Title 12 for the amount of cash and the monetary value of any publicly traded securities the taxpayer contributes to the Educational Credit for Exceptional Needs Children Fund up to the limits contained in subsection (D)(1)(a) of this proviso if: (a) the contribution is used to provide grants for tuition to exceptional needs children enrolled in eligible schools who qualify for these grants under the provisions of this proviso; and (b) the taxpayer does not designate a specific child or school as the beneficiary of the contribution.

(2) (a) A taxpayer is entitled to a refundable tax credit against income taxes imposed pursuant to Chapter 6, Title 12 for the amount of cash and the monetary value of any publicly traded securities, not exceeding eleven thousand dollars per child, for tuition payments to an eligible school for an exceptional needs child within his custody or care who would be eligible for a grant pursuant to this proviso up to the limits contained in subsection (D)(1)(b) of this proviso.

(b) If a child within the care and custody of taxpayer claiming a tax credit pursuant to this item also receives a grant from the Educational Credit for Exceptional Needs Children Fund, then the taxpayer may only claim a credit equal to the difference of eleven thousand dollars or the cost of tuition, whichever is lower, and the amount of the grant.

(I) A taxpayer is entitled to a tax credit against income taxes imposed pursuant to Chapter 11, Title 12 for the amount of cash and the monetary value of any publicly traded securities the taxpayer contributes to the Educational Credit for Exceptional Needs Children Fund up to the limits contained in subsection (D)(1)(a) of this proviso if:

(1) the contribution is used to provide grants for tuition to exceptional needs children enrolled in eligible schools who qualify for these grants under the provisions of this proviso; and

(2) the taxpayer does not designate a specific child or school as the beneficiary of the contribution.

(J) The department shall conduct a comprehensive study of the Exceptional Needs Tax Credit program. The study shall examine the following:

- (1) whether or not the students participating in the program have experienced measurable improvement as a result of participation;
- (2) the allocation of scholarship funds and tax credits among students, including the effect of funding limitations on the addition of new participants; the demographic and socio-economic data of the participants and their families; and the geographical distribution of the participants;
- (3) the distribution of scholarship funds among all eligible schools;
- (4) identification of the schools in which the most measurable improvement has occurred among students, with an analysis of the types of schools achieving the best results and best practices implemented by those schools; and
- (5) any other aspect of the program that the department determines would be relevant and useful in making future policy decisions in regard to the program and its continued existence or expansion.

The department shall submit a report of its study to the General Assembly no later than January 15, 2018.
